

Troparion - Resurrectional Dismissal Theotokion

Tone 7

Obikhod

Since thou art the treasure of our Res - ur - rec - tion,

we put our hope in thee, O All - Praised One. Lead us out

of the pit and the abyss of our trans - gres - sions, for thou

hast saved us, who art subject to sin, by giving birth to our Sal - va - tion.

Be - fore giv - ing birth thou was a virgin and a vir - gin while giv - ing birth,

and af - ter giv - ing birth thou didst still re - main a vir - gin.
